NAPA centers donate to Red Cross

[Comments](#) (No comments posted) | [Add Comments](#)

During the month of February, the independently owned NAPA Auto Care Centers of DeKalb, Sycamore, and Cortland are donating \$1 to the American Red Cross, DeKalb County Chapter for every oil change they do.

For more information on locations in the area of NAPA Auto Care centers go to www.napaautocare.com/store-finder.aspx

The DeKalb chapter would like to especially thank Bockman's Auto Center, one of NAPA's Auto Care Centers located at 2158 Oakland Drive in Sycamore, for their recent in-kind donation, repairing the thermostat in the emergency services vehicle.

"We really appreciate all the kindness that had been extended to us over the years by businesses in this community," said Michelle Emmett, executive director of the American Red Cross, DeKalb County Chapter. "Bill White's Car Hospital has been wonderful for donating time and parts when things go wrong with our older emergency services vehicle, and we are so thankful of them!"

The chapter's emergency vehicle is a model-year 1994, and like all older vehicles, it needs more maintenance.

"We really need a newer vehicle and will need to do a lot of fundraising to replace it soon," Emmett said. Since the American Red Cross is not funded by the federal or the state government, community donations are imperative for allowing the chapter to remain open and continue to offer all the wonderful services to DeKalb County residents with Disaster Relief, Blood Services, Health & Safety programs, and Armed Forces/Veterans services & programs.

To support the American Red Cross DeKalb County chapter and the services they provide, people can send donations to the American Red Cross, DeKalb County chapter at 2727 Sycamore Rd. Suite 2A, DeKalb IL, 60115 or go online to www.dekalbredcross.org.
